

Youth Work Ireland Tipperary's Health Promotion Statement:

1.3 Health Promotion Statement:

Youth Work Ireland Tipperary is a health promoting organisation and:

- Provides a range of quality and professional services, to young people in a safe and inclusive environment, contributing to a changing society for the benefit of young people;
- Provides happy supportive environments for young people, staff and volunteers;
- Strives to develop and deliver a health promoting youth work curriculum facilitated by happy, fun, supportive, creative staff and volunteers
- Acknowledges the rights of all involved in the organisation to contribute to a health promoting environment.
- Young people are our priority therefore effective staff and volunteer support and supervision are implemented regularly for the greater good of the young people involved in the service.
- Youth Work Ireland Tipperary guides and supports everyone in the organisation in implementing policy at all levels
- We encourage positive health options through providing services and activities for service users, staff and volunteers.
- We work with parents and the greater community to create a more holistic impact on young people's lives.
- We encourage young people to get involved in our café committees and provide healthy eating options.
- We encourage and maintain partnerships/ stakeholders in the running of the organisation
- We acknowledge and proactively encourage and support diversity and equality
- We support active youth participation, by providing opportunities for young people through our own internal structures and also through county and national structures
- We display health promoting posters and exhibit information freely.
- We provide learning opportunities for young people, staff, volunteers and families
- We work to secure the rights of our young people, particularly those as per the UN Convention on the Rights of the Child.
