CHAIRPERSON'S STATEMENT

Youth Work Ireland continues to thrive in enhancing and developing opportunities for young people in Tipperary and East Limerick throughout 2019 /2020.

I would particularly like to pay tribute to the passion and energy that all our staff, Community Employment Participants and volunteers bring to fuelling the organisation. We pride ourselves on providing accessible, nurturing inclusive, fun youth spaces. I would thank our staff/volunteers who have movedon to new pastures for their time they spent with us. I would also like to welcome some new members who have joined our team. Our newly structured Leadership Team continue to be led by our CEO who supports our growing team.

Young people of Tipperary need to be commended for being active citizens, community activists, artists and entrepreneurs. Young people continue to grow as responsible, creative young adults through contributing in so many different projects and initiatives.

Equally we need to acknowledge those who take brave step accessing some of our more targeted and specialised services. We are proud to be part of so many young people's lives.

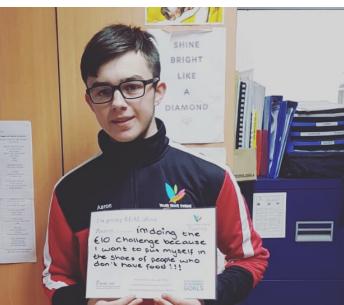

To all our partners and communities who trust us year on year to deliver innovative programmes to engage young people throughout the Tipperary and East Limerick. We as a board are committed to the Governance Code and to meet the requirements of Revenue and Charities Regulator.

Looking forward to continuing to support the work of Youth Work Ireland Tipperary and to continuing to plan for the future.

All Schoole

Ashling Sheehan Boyle

STRUCTURE, GOVERNANCE AND MANAGEMENT

The name of the company is Tipperary Regional Youth Service, company limited by guarantee (CLG) with charitable status. The company is registered under Part 18 of the Companies Act 2014. Our governing document is our Constitution, comprising of our Memorandum of Association and our Articles of Association. Tipperary Regional Youth Service CLG operates under it's trading name; Youth Work Ireland Tipperary. We have been in existence since 1970, the organisation was originally known as Cashel and Emly Youth Service.

Membership is drawn from the following 3 constituent groups: Young people engaged in the service's activities including youth club membership; Volunteers engaged in the service's activities; Community/business representatives wherein the services activities or projects are based.

YOUTH WORK IRELAND TIPPERARY'S BOARD, OFFICERS, AND MANAGEMENT

Youth Work Ireland Tipperary is governed by a voluntary Board of Directors. No remuneration has been paid to directors in respect of their service as Directors or on any Committee of the Directors to which the board have delegated powers under Art 92, Companies Acts. Subject to our Articles of Association, the number of Directors shall be not less than seven. Nominations for the Board of Directors includes five nominations from Youth Clubs or Community Members, however this does not limit any powers to co-opt a Director as is the requirement from time to time, as set out in our governing document.

Youth Work Ireland adheres to the Governance Code as this is seen as best practice in the charity sector. Youth Work Ireland Tipperary is registered with and complies with all the requirements of the Charity Regularity Authority and the Companies Registration Office.

Youth Work Ireland Tipperary is affiliated to Youth Work Ireland, and is a recognised Youth Service, as per the Youth Work Act 2001 Youth Work Ireland Tipperary works with young people aged between 8 and 25, as well as families, communities and other agencies.

The Board of Directors had 7 ordinary board meetings and one AGM in 2019. Board also has a number of sub-committees who meet regularly to undertake as directed by the board. The Board of Youth Work Ireland Tipperary will set up sub committees to take on specific responsibilities or working groups to tackle a particular project.

Sub-committees are usually set up on a long term basis to take on a specific responsibility. These subcommittees include FAGP, HR and Project Development. Subcommittees may have delegated powers as set out by the Board of Directors. Sub-committees will always have at least one board member and have written terms of reference, approved by the board, providing a good way of ensuring clarity. Youth Work Ireland Tipperary's Board of Directors may also set up working groups which are usually set up to carry out a specific piece of work.

FINANCE, AUDIT, GENERAL PURPOSE, AND RISK SUBCOMMITTEE:

The FAGPR Subcommittee upholds a number of roles including keeping the financial management of Youth Work Ireland Tipperary under review and monitoring risk and governance. The FAGPR consists of the Chair of the Board, the Treasurer of the Board, one other board member (who acts as Chair of the committee) with the CEO and Financial Administrator in attendance. The FAGPR meets monthly before the board meeting, and at other times as required.

GOVERNANCE

The Board of Youth Work Ireland Tipperary provides strategic leadership. At all times, the mission, vision and core value of Youth Work Ireland Tipperary will inform the Board in its leadership. The principal responsibility of the Board is always governance. Because Youth Work Ireland Tipperary employs staff to work at both operational levels and at management role, boundaries exist between governance, management and operations. The Board provides parameters for the work of the CEO, who then takes decisions and act within those parameters.

Youth Work Ireland Tipperary complies with "The Governance Code", and as such reports on it monthly, as well as reviews the code annually, to ensure continued compliance.

Youth Work Ireland Tipperary is a signatory to the Dochas Code of Conduct on Images and Messages. The Code offers a set of guiding principles that can assist practitioners in their efforts to communicate their organisation's programmes and values in a coherent and balanced way.

Youth Work Ireland Tipperary is also signed up to the Fundraising Code, and is committed to being a Children's Rights Aware Organisation with the Ombudsman for Children.

Youth Work Ireland Tipperary, through its TYSF and Special Projects for Youth and Youth Information Project, funded by DCYA, also participates annually in the NQSF (National Quality Standards Framework). In 2019 we commenced a new cycle of the NQSF process with the appropriate projects. Our Rural Outreach project supports its volunteer led clubs to participate in the NQSFVLYG which is the national quality standard framework for volunteer lead youth groups.

INCLUSION AND EQUALITY

Youth Work Ireland Tipperary is committed to being an inclusive and equal opportunities organisation.

In 2019, we commenced working with IN-VOLVE around developing standards based on their STATUS toolkit to support the inclusion of Travellers in the organisation. We also tendered for the Tippperary Resettlement Project and were successfully selected, as well as applied and successfully received financial support to support activities for the Syrian families in Thurles, the Tipperary LGBTI Outstanding group and facilitated the completion of two county based documents exploring LGBTI and Disability issues in Tipperary. In general all of our projects target young people and families who may be socially excluded. All of our processes have inclusion at their heart, and we have a robust inclusion and equality policy.

RISK MANAGEMENT

This section is based on the Youth Work Ireland Tipperary Risk Assessment Document (Risk Register). This Risk Assessment has been formulated by the Board and reviewed annually. In 2019 we also developed a separate Safeguarding Risk Assessment.

FINANCE

KEY RISKS:

- Reduction or loss of funding
- Changes in funders/ funding bodies/ funding streams
- Pressures on financial management and cash flow

Plans for mitigating these risks centre around continuing to work with funders to monitor funding and requirements, and future plans. YWI Tipperary also continually applies for additional funding particularly around programmes and new funding streams that are relevant to the needs of our We strict financial young people. have management reporting procedures to the Board of YWI Tipperary and follow an annual budget and cash flow forecast. We are also working with funders to ensure that funding is released to us in a timely manner.

COMPLIANCE KEY RISKS:

- Safeguarding and Vetting not adequately complied with
- Safeguarding reporting not adequately delivered
- Non-compliance with policies at operational level

All staff and volunteers are fully vetted and trained in safeguarding and there are clear safeguarding procedures and guidelines in place that all staff are aware of and supported to follow. In 2019 all core staff refreshed their Children First Level 2 child protection training with TUSLA.

YWI Tipperary nurtures an environment of safeguarding and support. YWI Tipperary has a comprehensive suite of policies and all staff are trained in and have access to these policies.

HR KEY RISKS:

- Staffing levels not adequate
- Staff team not operating at full productivity thus impacting on organisational output
- Staff team not having the skills or capacity to support organisational output

Key to addressing this risk is ensuring effective use and value for money, ensuring that staff are invested in and supported to develop their skills and capacity to deliver on projects. Staff are given clear workplans with targets and expected outcomes and are supported to deliver on these workplans. In 2019 the workplan template was reviewed to ensure that it is in line with individual Funder Requirements.

In addition, staff are recruited at a particular level of skill and experience and supported to develop those skills through a comprehensive staff training calendar.

OPERATIONAL KEY RISKS:

- Poor delivery of practice endangering, safety of young people, our reputation, our funding
- Poor delivery of practice due to lack of health and safety focus
- Exposure of organisation to liability from accidents/ incidents

All staff and volunteers receive on-going training and support around practice, and such practice is monitored by the LEAD structure. Peer support in 2019 further enhanced practice delivery. Health and safety is a key focus of the staff and is reported on monthly to the Board of YWITipperary. YWI Tipperary is fully insured and has a comprehensive accident/incident policy and procedure.

STRATEGIC BUSINESS KEY RISKS:

- Resources not available to support quality delivery and development of practice
- Over-reliance on senior staff and not planning for succession/ unforeseen leaving YWI Tipperary is constantly looking for new sources of funding, and place a major focus on compliance with existing sources, including development of practice in order to continue to receive funding. In 2019 the Project Development Subcommittee worked in this area, and a number of options for diversification were explored.

GOVERNANCE KEY RISKS:

- Governance Standards not complied with thus leading to poor governance and lack of transparency
- Policies and procedures not robust enough leaving the organisation open to liability

YWI Tipperary comply with the Governance Code as well as individual funder requirements. YWI Tipperary have fully committed to SORP. Policies and procedures are continually reviewed and updated and communicated to staff and board.

EXTERNAL KEY RISKS:

- Low recognition levels of organisation at local, national and international
- Loss of control of our standards and expectations of delivery when involved in partnership
- Funding decisions made within the sector that will impact local service delivery
- Delays in Garda vetting

We have invested in the YWI Brand in order to address this risk, which includes communicating clearly to partners what we deliver and expect of other partners when working together. Where possible and appropriate SLAs or memoranda of understanding are drawn up, steering groups will be in place and lines of communication between partners are open and clear. Garda vetting delays can be mitigated to a limited extent by making sure our own garda vetting procedures are efficient.

One of the key risks to the organisation is that of external funding decision in the sector that will limit delivery. This is addressed through constant communication between YWI Tipperary and policy makers, national organisations including YWI and every attempt to promote and shape policy at a national level, including making presentations, communication with politicians and input into the sector.

SAFEGUARDING AND VETTING

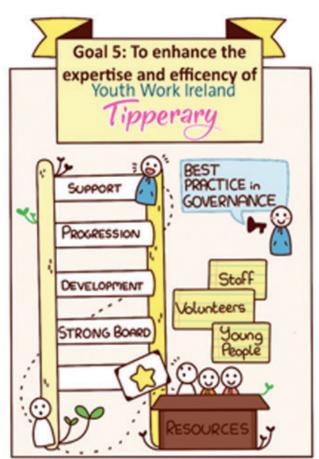

Youth Work Ireland Tipperary recognises that one of our key responsibilities is the safety of our young people, staff and volunteers, and to this end have a comprehensive Child Protection Policy, based on Children First. All staff and volunteers are trained and vetted and follow best practice recruitment policies and procedures. Youth Work Ireland Tipperary fully complies with vetting requirements through Youth Work Ireland, and in 2019 developed a SOP for this area, as well as reviewed all staff and volunteer vetting.

RESERVES

Youth Work Ireland Tipperary do not hold social investments and grant making does not form a material part of our charitable activities.

MEMBERSHIP OF YOUTH WORK IRELAND

Youth Work Ireland is a federation of 22 Local Member Youth Services and a national office. Youth Work Ireland supports members to deliver an Integrated Youth Services Model to young people in their communities. This means that young people around Ireland can avail of a whole range of services and supports if and when they need them. Our membership of Youth Work Ireland means that we are committed to delivering this Integrated Youth Services Model, and as such, our practices and procedures aim to reflect the principles of this model in a local context. We have signed up to Youth Work Ireland's membership charter.

Youth Work Ireland Tipperary Strategic Plan 2014 – 2020

OBJECTIVES AND ACTIVITIES OF YOUTH WORK IRELAND TIPPERARY

Purpose of Youth Work Ireland Tipperary

OUR VISION

(where we want to be):

Youth Work Ireland Tipperary's vision is of a world full of possibilities for all young people

OUR MISSION AND OBJECTIVE

(the journey to getting there):

To work through a rights-based, youth-led approach to foster learning, innovation, hope and high expectations in young people, their families and their community.

OUR GOALS AND OBJECTIVES ARE BASED ON OUR FIVE YEAR STRATEGIC PLAN 2015 – 2020.

Youth Work Ireland Tipperary has a strategic plan and works towards its achievement with regular reviews and reporting to the Board of Management. Outcomes with reference to our strategic goals along with actions planned and undertaken are also the focus of this report. Our charitable achievements are in line with our goals as set out above and further our legal purpose as they are in agreement with our objectives as set out in the Constitution of Youth Work Ireland Tipperary.

OUR FIVE KEY GOALS:

- 1. To support and nurture young people, their talents, skills and experiences
- 2. To provide a comprehensive service to young people and their families
- 3. To enable more people to experience youthwork
- 4. To develop our relationships with the community, stakeholders and partners
- 5. To enhance the expertise and efficiency of Youth Work Ireland Tipperary

MAIN ACTIVITIES UNDERTAKEN

- Creation of possibilities for young people, their families and their communities.
- We deliver a volunteer-led organisation promoting a progressive youth culture.
- We deliver a fully inclusive and responsive youth service, representative of the local community.
- We promote and support the development of youth participation both within and external to Youth Work Ireland Tipperary.
- We enhance and promote the capacity of the community youth sector to deliver meaningful services for young people through innovative project development.
- We assist young people to develop leadership and self-confidence, and to actively support them in realising participative governance.
- We assist and support the development of policy positions on issues impacting upon and relevant to young people, the youth sector, and the youth affairs field and provide policy advice and perspectives to governments and the broader community.

CRITERIA FOR MEASURING SUCCESS IN 2019 – HOW DO WE KNOW WE'VE SUCCEEDED?

We measure success primarily through our reporting and measuring tools employed by Youth Work Ireland Tipperary. We have an organisational action plan, and each core project then has an annual workplan, which is reported on monthly as well as annually. Each goal and action in the organisational action plan has an identified key performance indicator of what we will measure and identified means of verification.

Some key performance indicators measured include:

- Contacts
- Participants
- Recorded outcomes (linked to strategic plan, BOBF outcomes, 7 proximal outcomes, individual funder requirements)

VOLUNTEER CONTRIBUTION TO YOUTH WORK IRELAND TIPPERARY

Youth Work Ireland Tipperary is a voluntary organisation – that means that we were founded by volunteers, are led by a voluntary board of management and have volunteers working in all aspects of the organisation, from youth information to our clubs, and through a range of activities in between. Our volunteers work in partnership with our young people and staff, and are essential in supporting us to realise our strategic aims – all of which centre on providing a quality service to young people around our region. In 2019 we had 110 volunteers working with our projects and clubs.

Youth Work Ireland has a full Volunteering policy, procedures and support menu, available on our website.

Youth Work Ireland Tipperary. . . a world full of possibilities for all young people.

NTTYP - ANXIETY MURAL

Throughout November and December, we delivered a substance misuse programme to our senior girls in Littleton. The first two sessions explored the types of substances that were most commonly misused among young people and the negative effects of substance misuse.

The girls decided to focus on the issue of anxiety among young people as this was something they had experienced and could identify with. They researched this and found that anxiety levels were increasingly on the rise among young people. According to a study carried out by UCD School of Psychology in 2019 the proportion of adolescents (12-18) reporting severe anxiety had doubled to 22 per cent, while levels of severe anxiety in young adults (18-25s) had increased from 15 per cent to 26 per cent since a previous study carried out in 2012. The girls decided that they wanted to do a mural to highlight the issue.

They created a beautiful mural depicting a young person who is feeling anxious (the head is shaped as a cloud to depict dark thoughts) being helped up by a person (head shaped as the sun depicting hope and light) holding an umbrella, the umbrella representing supports and people who could help them and also as protection from the rain drops (Rain drops depicting issues affecting young people). We are hoping to have this mural displayed in the local community centre, this will show case the girls hard work and spread their message to the wider community.

TIPPERARY TEEN GIRLS YOUTH PROJECT #behindthesmile

Our Teen Girls group decided to develop a booklet giving information about healthy and abusive relationships. The booklet titled #behindthesmile is in reference to the posts put on social media by young people, but what might really be going on in their relationships. Their hope is that this booklet will serve to give young people the information needed to make healthy and safe life decisions.

While the booklet is targeted at their peer group, they realise that the information will help and support young people who may be struggling to understand what healthy relationships should be but more importantly what an abusive relationship looks like. The girls were delighted to win a GARDA Youth Award 2019 for the work that they put into this project.

YOUTH EXCHANGE

The TAR (Teens at Risk) and Tipperary Town Youth Project were fortunate to secure Erasmus+ funding to host and attend a European Youth Exchange in 2019. These young women engaged in a sexual health training initiative delivered by youth workers in house. The young women found this programme to be extremely beneficial for them, but also described some elements of the law and consent as eye opening. This topic became the focus of our work and the young women expressed an interest in exploring this topic on an International/European level. This led to youth workers contacting our partners in Italy to explore, arrange and apply for Erasmus+ funding to host and attend this exchange. The Italian young people came to Ireland for one week in June 2019 and the Irish young people flew to Italy in July 2019. The learning outcomes for this project were raised awareness and increased knowledge of sexual health, provided with a range of practical useful tools to support sexual health initiatives, increased knowledge of sexual health education, legislation, policy, advice and guidance, improved ability to identify risky behaviours specifically in relation to sexual health and consequences of actions. They also gained a greater understanding of mobility and freedom to travel within Europe. Three young people have expressed an interest in securing EVS (European Voluntary Service) programmes once they reach 18 as a direct result of participation in this Erasmus+ Youth Exchange. It is important to note that two of these young people had never been away from their home country before this.

GLOCAL 2019

We were very proud of the Gaming Group from Cashel Neighbourhood Youth Project for being the winners of the Youth category at the Trócaire 2019 Game Changers Competition with their "SDG & Me Board Game" which was designed to raise awareness of the Sustainable Development Goals and how by achieving the 17 Goals we can help to make life fair for all people around the world and the planet itself. The game also includes various twists to help highlight how unfair life and the world can be and the importance of taking action for change. There were also ongoing opportunities for both the youth workers and young people to get involved in the workshops about the SDG and to be involved in the design and delivery of SDG specific activities for our new SDG Backpack resource and One World Week Celebration days. Also the YWIT Board of Directors undertook additional training around Development Education and Global Youthwork and were delighted approve the organisation's Development Education policy.

YOUTH INFORMATION

In 2019 Youth Information/Eurodesk (YWIT) had a busy year with queries and campaigns. In May YIC hosted a Democracy event in LIT Thurles to encourage young people to vote in European elections #thistimeimvoting with 84 young people in attendance. The Annual October Time to Move Europe-wide campaign which informs young people about opportunities to work, study, train and volunteer in Europe is always popular in Tipperary, with guizzes, European awareness and this year an Art exhibition with Natasha Downey from Tipperary town who had completed her EVS project in Finland & held an exhibition of photos from her travel in the Tipperary Excel Centre. A highlight in 2019 was when YIC Tipp received an honorary award at the annual Eurodesk awards across Europe for our Mobility event in 2018, Coordinator Pauline attended the awards as part of Eurodesk seminar in Brussels in May 2019.

SYRIAN UNDER 10 HOMEWORK CLUB

The Syrian Under 10 homework group was started to help children from Syria with their homework as their parent's level of English was quite poor. We held a consultation with parents and the Syrian Resettlement Project worker to discuss their needs and how we could support them. As a result we set up the U10 Syrian homework club on February 28th 2019. The club runs Mondays, Tuesdays and Thursdays from 3-3:30pm. The club is supported by a primary school teacher and two Tús workers from the Syrian community. The club is also partnered with another initiative, Cool Chruinniú. This is an arts and crafts based programme intended to promote creativity and appreciation of Syrian and Irish culture. Some of the arts and crafts activities included making night lights out of painted glass jars, dreamcatchers, stuffed snowmen and other animals from wooden lollipop sticks and other materials. As part of our integration programme the club participated in our recent junior summer schedule with our Thurles After school's homework group and our Littleton junior groups. We took them to Castlecomer Adventure Park, Roscrea Leisure Centre and the cinema, which they thoroughly enjoyed!

THURLES YOUTH PROJECT - PREPARATION FOR WORK GROUP

This group was created to support young males aged 17 to 20 years in preparing themselves for work. With the support of local agencies/ businesses such as North Tipperary Development Company, Thurles Community Training Centre and construction companies, these young people got the opportunity to upskill (Safe pass, Manual Handling), develop personal and social skills and engage in further education. These young males also received one to one support, support with CV prep, interview/IT skills and driver theory. In addition, they took part in a variety of activities such as gym & swim, horse riding and a soccer tournament.

As a result of engaging in this programme four boys gained full-time employment in construction, in a waste management company and an apprenticeship in carpentry. Two males returned to education. Overall this group have made life changing decisions which have given them new experiences with positive outcomes.

BE SOBER BE SAFE CAMPAIGN

The Mid Tipp Drugs Initiative was part of the Be Sober Be Safe steering group which ran an alcohol awareness campaign around the Junior cert results encouraging young people to celebrate without alcohol. We ran a media campaign, talks in schools, linked with local Gardai, venues for discos, bus and taxi companies, developed a leaflet for parents, etc.

Some of the work specifically carried out by the MTDI was the development of the "Be Sober Be Safe" leaflet for parents which gives tips on how to delay teenage drinking and questions to ask your teenager before a night out. Over 1000 leaflets were distributed across all of the schools in south Tipperary some schools did it virtually, others handed them out with the junior cert results and some schools posted them directly to parents.

We also carried out a talk with 67 students from Cashel Community School as part of the campaign providing them with information on the harmful effects of alcohol use and offered them some harm reduction information also. The final piece of work we did was created some social media frames that were used in different towns on the day of the results to promote the campaign and remind young people to 'Be Sober Be Safe'. The project itself was available in Cashel on the day of the results and carried out some outreach with the social media frames and spoke with some young people as they were out celebrating. The campaign was a great success and received very positive feedback from the community and organisations. Due to its success it is hoped it will become an annual campaign that will grow in strength.

FOUR THINGS THAT YOU CAN DO TO DELAY TEENAGE DRINKING. source: Straight Talk - a guide for parents on teenage drinking (HSE) I. TALK AND LISTEN TO YOUR TEENAGER It's the greatest support you can give them! Know the facts about alcohol

 Talk to your teenager in a calm, matter of fact way Listen to your teenager. They will have their own stories and beliefs about alcohol. You need to hear these. • Make your own feelings about underage drinking very clear.

Some parents suggest that talking to another adult in the company of a teenager is the best way of getting a message across.

HAVE FAMILY RULES

Discuss these rules with everyone. Be clear about what is allowed and what's not allowed for example, they are not allowed to attend teenage discos where alcohol is served.

Have "coming home" times and stick with them.

· Have consequences for breaking rules and stick with them.

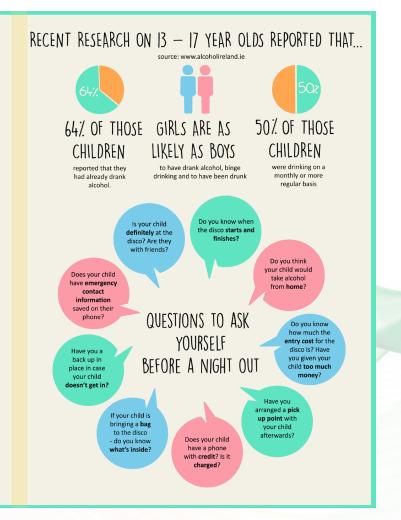

3. KNOW WHERE YOUR TEENAGER IS

• Are they where they say they are? If they say they are staying overnight at a friends house, check in with their parents • Who are they with? What time are they coming home at?

> • How are they getting home? • Do they have their phone with them? • Have they updated the HealthApp on their phone?

4. IF YOU DRINK ALCOHOL, BE RESPONSIBLE

What rules do you have about your own drinking? Know how much alcohol is in the house and check it regularly.

GOAL

2. To provide a comprehensive service to young people and their families (Service Provision)

OBJECTIVE

2.1 To support young people to access information, education/ employment skills and opportunities

OUTCOMES FOR YOUNG PEOPLE/ORG

Young people have the opportunity to make positive choices in terms of their future work lives

Young people will have information, skills and confidence when making choices about work and education

young people will be supported to remain in engagement in education/training employment in order to enhance employability and improved well being

TRYS will be supporting the development of a pool of young people available for employment in the county

2.2 To provide targeted supports in areas identified as priority needs for young people, their families and the community

TRYS is part of a planned support mechanism for young people so that resources are used effectively and we are recognised as key partners in support work for young people in the county

By working with families as well as the young people themselves the opportunities will be there to effect real change in their lives

Young people with higher levels of need are supported to access particular supports at particular times that will keep them safe and secure

TRYS can identify trends in youth work needs and work to put supports and advocate for services in a timely manner

Young people are active and healthy; achieve emotional, physical and mental wellbeing through their voluntary participation.

GREEK YOUTH EXCHANGE PROGRAMME

Youth Work Ireland Tipperary took part in a joint Youth Exchange with The Association of Active Youths of Florina (OENEF) The theme behind this programme is celebrating health & well-being in a cultural context. A focus for the project was the 5 ways to well-being.

Participants had the opportunity to connect with other young people from a different country and explore mental health & well-being in a cultural context. Participants had the opportunity to engage in physical activity and explore the concept of being active as a key part of our well-being.

During late June 2019 and Early July 2019 OENEF active youths hosted 16 young people from Cashel, Pallasgreen, Fethard and Killenaule along with 4 leaders. Some activities included the sharing of childhood games from young people on the exchange to younger members in the city of Florina. This event showcased games from Greece and Ireland to over 250 young people and their families. Participants had a chance to take notice and explore the cultural differences around mental health through group work and developing a Toolkit around the 5 ways to well-being (Take Notice, Giving, Keep Learning, Connect and Be Active) The Toolkit included a variety of simple resources and methods to support positive mental health & well-being for themselves and their peers. The young people are given the opportunity to share their experiences and the knowledge they

have gained within their own communities. In mid-August Youth Work Ireland Tipperary welcomed the Association of Active Youths of Florina (OENEF) back to Cashel, Fethard and Killenaule with the support of the local Youth Project (Cashel Neighbourhood Youth Project, The Rural Outreach Project (Youth Club Pallasgreen) and Fethard and Killenaule Youth Project).

The Greeks returned to Ballymacarbry Community Centre Hostel outside Clonmel. Taking in the Comeragh Mountains, Lake Mochra, The Rock of Cashel, Fethard horse country experience just to mention a few as well as an intercultural night showcasing Irish culture, food, music and craic. The return leg also focused on a random act of kindness of sharing art and inspirational quotes to the locals of Cashel. Taking part in DJ workshops, graffiti art and technology sessions as ways of looking at the experience of a youth exchange and benefits to young people.

Fethard/ Killenaule Youth Project was founded on December 5, 2016 and delivered by Youth Work Ireland Tipperary to meet the needs and support of the young people from the Fethard and Killenaule areas and their families. The service is delivered through the provision of group work and individual support. Fethard and Killenaule Youth Project works with young people from 10 to 21 years through various groups, activities, programmes, drop-ins and one to one work.

WORK TO LEARN GARDA DIVERSION YOUTH PROJECT

Launched in May 2017, the Work to Learn Programme is a six month paid work-placement for young people on the GYDP. The aim of the programme is to support young people as they are placed in local businesses. There is a structured and strong support system, involving preparation, placement and post-placement reflection.

Youth Work Ireland Tipperary applied to join the programme in 2018 and was successful in securing 4 places for participants. 2019 saw a continuation of the programme, again with 4 young people securing work-placements in a variety of local businesses; these included a local restaurant,

garden centre, convenience store/deli and a supermarket.

Despite some teething problems, there were some notable successes. One of our young people secured part-time work, once their Work to Learn placement concluded. All of those involved, have shown increased self-confidence and an appreciation of the value of work.

With funding secured for 4 young people this year, we look forward to running the programme again in 2020, with renewed success.

ABILITY PROGRAMME

The aim of the Ability Programme is to support young people from Co Tipperary with a diagnosed disability in which their disability may impact their employ-ability, train-ability and 21st century skills. The key aim for the intended target group is to give young people an opportunity to develop practical and functional skills which will enable them to participate fully in their communities. The main focus of work is to develop and implement interventions for young people from the ages of 15 to 29 and in need of employment support, who have; a diagnosis of ASD, a mental health condition, a learning disability or hidden disability.

The Tipperary Ability programme is designed and informed by an evidence model of the Work Winner programme previously designed by Youth Work Ireland Tipperary. The central approach to the project is placing the young person at the centre of all decision making about themselves, their life and their choices. In September 2019 as young people returned to school, days became shorter and needs became more. Fethard and Killenaule Youth Project were successful in sourcing funding from the national lottery to support families and young people in the area. Training for staff and weekly support sessions for parents grew relationships and increased available supports. Various workshops from substance misuse, womens refuge, domestic abuse and positive parenting programmes provided a safe space for parents from the local areas and to grow and develop while forming positive relationships. Through the projects interagency approach, Fethard and Killenaule was also able to provide a Youth Counselling support initiative to further support young people and their needs. The uptake and strength of the project has grown and continues to grow for the community, families and young people.

GARDA YOUTH DIVERSION PROJECT 2019

The Tar Project had a busy year in 2019 with various events and interventions taking place throughout the year. The senior girls group received a Garda Youth Awards for their work on a booklet for young pre-teen girls with them heading to Italy in the summer on an Erasmus + Youth Exchange.

The boys took part in, "Come Dine With Me", with them cooking up a storm and working together to come up with culinary delights which they had even more fun eating. They also took part in a soccer programme which was attended by a large amount of young people each week and was refereed by Stephen Quinn from the FAI.

We have been on various day trips, like horse riding, airsoft and an LGBT event along with an overnight trip to Carlingford where they got to experience lots of activities such as high ropes and kayaking.

The project also worked with young people from residential care and we enabled two young people to be home schooled by a tutor in the centre. This was set up with the Education Welfare Officer and the work continues with the participants on a one to one basis.

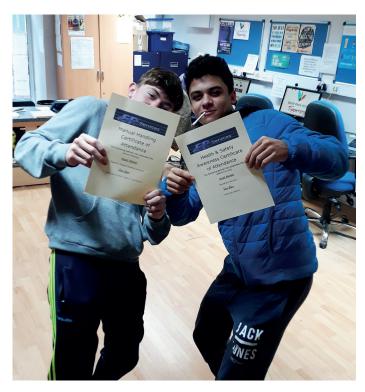

4REAL YOUTH EMPLOYMENT INITIATIVE

17 young people in Tipperary town aged between 16 and 24 years benefited from participating in the innovative 4Real Youth Employment Initiative this year. The programme, which was funded by Department of Children and Youth Affair on a pilot basis, targeted those furthest from the labour market and utilised a person-centred 4 stage approach offering individualised supports to assist young people in removing barriers to their ability to engage in training, education and employment. Through the use of an Individual Development Plan, participants set achievable tasks to work towards their goals. As well as training and employment opportunities, the project provided advocacy and

support for issues such as housing, homelessness, substance misuse, mental and physical well-being. Eight participants availed of in-house counselling from a psychotherapist specialising in adolescent mental health through the project. Some of the participant's key achievements during the year include training in beauty therapy skills, driver theory test preparation and literacy skills, provided by ETB tutors. Participants also completed manual handling, health and safety, Abrasive wheel and safe pass training. A number of participants progressed on to full-time training courses, employment schemes, mainstream education, part time work and volunteering opportunities.

SUPPORTING OUR YOUNG LGBT+ COMMUNITY IN COTIPPERARY

The OutStanding group took to the streets of Dublin to celebrate Pride. They were overwhelmed by the amount of support that was shown by onlookers and supporter in our capital. This trip took place after they had launched a piece of research, which did not leave some of our institutions in a favourable light.

Children and Young People's Services Committee (CYPSC), commissioned a report; Needs Analysis of young people identifying as LGBT+ in Co Tipperary, Ireland, which was launched on Thursday 31st January. The report was overseen by Youth Work Ireland Tipperary (YWIT) and consulted young people in Roscrea, Thurles, Carrick on Suir, Clonmel, Cashel and Tipperary Town and identified the needs of Lesbian, Gay, Bisexual, Transgender + young people. We, as a country have come a long way and in a surprisingly short space of time in relation to supporting this group of people. In 1993, that's 26 years ago, homosexuality was decriminalised. Yes, it was illegal to be gay! Speed up to 2015 and we as a collective society voted to open marriage to the LGBT+ community. In doing that, we said love is love.

As a youth worker with YWIT, I have been working with LGBT+ young people for eleven years now and while there have been some changes on a wider societal level a lot is still the same. For example, 12 years of age is the most common age that a person discovers their sexual orientation. Ten years ago that young person might wait until age 17 to come

out – to tell other people. That's up to five years living with this secret. It is a very stressful time to say the least. Today, that young person might come out at 16, so there are still feelings of fear and anxiety around telling people. According to the report; in order to feel safe young people need; visibility of others, role models, flags, posters that gives the message, yes we are LGBT+ this is possible.

Unfortunately this report highlights the fact that schools are the most disappointing in their lack of progression supporting LGBT+ young people. One school in the six represented was described as supportive. Young people described a lack of visibility of LGBT+ supports; of awareness of teachers, a tolerance of homophobic comments by teachers and indeed a further perpetration of these comments by teachers laughing along. One can see why anyone who identifies as LGBT would not feel safe coming out. They fear they will not be accepted, worse they would be rejected, isolated. There is also a real fear of physical harm. This has to change as school is such an important part of a person's life.

The number one recommendation or need for LGBT+ young people is a stand-alone LGBT+ service where young people can be supported, get much needed advice and be able to hang out with other LGBT+ young people and allies.

STRENGTHENING FAMILIES

The Strengthening Families Programme is a 14 week family skills training programme co-facilitated by Sara Leahy, the Family Support Worker with the MORE Family Support Project. The programme is designed to encourage parents and their teens (aged 12-16) to develop better communication skills leading to more positive relationships within families while also having fun in the process.

Barriers to participation are reduced by the provision of transport, childcare and a meal where families sit and eat together. After dinner, parents meet in one room and focus on topics such as Giving Attention, Use of Rewards, Limit Setting etc. Teens gather in another room and discuss themes such as Understanding Feelings, Problem Solving, Resisting Peer Pressure etc. Both groups are then brought together where the main points of that evening's topic are reinforced and the families are given some home practice. Benefits include increased family quality time and improved parenting skills and family relationships.

THE INCREDIBLE YEARS – PARENTS AND BABIES PROGRAMME

The Incredible Years, Parents and Babies Programme supports parents to develop secure, loving and safe attachments with their babies. While at the same time supporting parents to develop skills to promote their babies physical and language development. The group format for the programme is designed to promote peer support among parents and provide opportunities for shared learning to occur between parents. Taking the outlook that parents are the experts of their own child's development. The programme facilitates knowledge and skill development opportunities through watching real life situations of parents nurturing their babies. This aspect supports parents to tune in to their own baby's cues. Parents are supported to practice these skills within the programme sessions with their own babies. The Incredible Years Parent and Babies is a 6 part programme: Getting to know Your Baby, Babies as Intelligent Learners, Providing Physical Tactile and Visual Stimulation, Parents Learning to Read Babies Minds, Gaining Support and Babies Emerging Sense of Self. This programme is delivered for a duration of between 9-12 weeks depending on the group size and other determining factors. Each session generally lasts for two hours. This programme was co-facilitated by Sara Leahy, the Family Support Worker with the MORE Family Support Project.

PARENTS PLUS- WORKING THINGS OUT PROGRAMME

The Working Things Out Programme is an evidence-based CBT programme for adolescents aged 11-16. It promotes positive mental health and aims to foster coping skills addressing a range of adversities which young people may experience. Such as conflict with parents, bullying, self-harm, school pressures, anxiety, suicide, OCD, and depression. The programme is designed to support young people to build communication and conflict resolution skills. This programme is implemented as required on a one to one basis with young people to address issues presenting for the young person. This programme can also be run as a group programme to promote peer support and shared learning experiences. Generally the group programme which is co-facilitated is delivered for a duration of between 6-9 weeks. The programme was facilitated by Stephanie O'Callaghan, the Family Support Worker with the MORE Family Support Project.

3D - IT -- QCBI INITIATIVE

The 3D – IT project was rolled out in Templemore, Cashel and Cappawhite. The programme worked with a group of young people between the ages of 15 to 24 years of age. We used an innovative approach using technology to instil values of teamwork, decision making and technical interest. The Outcome Star was used to identify the needs of each young person and then by utilising games and technology with proven youth work approaches we engaged with these young people to address

social, functional and educational challenges. A gaming app called "GamingPrime" was designed by the young people for Android phones and this gave them a platform to discuss their interests with other like-minded young people. "Youth Town" was also used as a resource to encourage engagement, teamwork and technical skills amongst the groups. A day trip that brought all the young people together was organised to the Virtual Reality centre in Limerick as a team building exercise which was a great success.

JUNIOR BOARD OF MANAGEMENT

2019 saw big changes on the Junior Board of Management (JBOM) with 8 new young people from Thurles, Templemore, Killenaule, Fethard Youth Projects and Pallasgreen Youth Club join the two remaining young people from Cashel NYP on the Junior Board. One of the JBOM's projects for 2019 was designing and spear-heading Youth Work Ireland Tipperary's first Social Media campaign called "Getting Real About Poverty."

The campaign was tied in with UN World Food Day, which is a day of action dedicated to tackling global hunger on Wednesday 16th of October and UN International Day for the Eradication of Poverty on Thursday 17th of October to help raise awareness that there are over 820 million people that don't have enough to eat including the 100,000 young people in Ireland living in consistent poverty.

For the campaign the young people challenged a number of their Youth Workers to "Get Real About Poverty" by living on €2 a day for 3-5 days! Then they shared the experience of those living on €2 a day plus facts and figures about the reality of poverty on social media to raise awareness and give people a greater understanding about the reality of Poverty in 2019 both in Tipperary and globally which had a reach of over 5000 people through Youth Work Ireland Tipperary's various Social Media Platforms.

CREATIVE COMMUNITY ALTERNATIVES

Creative Community Alternatives or CCA was run by Catherine Donaghy and Peter O'Brien. The programme aimed to address the needs of young people who are either on the edge of alternative care or are currently in care. It was a holistic service in the community for young people who present with complex factors that include neglect, attachment issues, mental health concerns, parenting issues, & alcohol/drug misuse. It was designed to address a range of life areas of the young people they work with and to develop their problem-solving skills and coping skills. There was an emphasis on integrating the young person back into the community and building their family's social support network. The young person was provided with a wrap-around package to support them as they transition in to independent living. CCA worked with services such as the Housing Department, social workers and other agencies in providing this Wrap around package.

RURAL OUTREACH

2019 was an exciting year for our Rural Outreach project with 17 Clubs operating across East Limerick and North and South Tipperary, they included Cappawhite, Cashel, Clonmore, Cullen, Drom & Inch, Holycross, Knocklong, Lattin, Oola, Pallasgreen, Templederry and Upperchurch Drombane. These clubs involve over 120 volunteers and over 300 young people. The Rural Outreach workers run a number of activities for clubs from our Juniors Easter Egg hunt in Templemore Park, our Hike in Lough Gur and Devils Bit for seniors, a Volunteer recognition evening in May to coincide with National Volunteer Week, Future Leader Induction Training,

Juniors Halloween Disco, a trip to the Limerick Scary Factor for Seniors, a Variety Show along with a number of other pop up events in Fethard, Killenaule, Littleton, Monard and Pallasgreen. For our volunteer leaders we ran a Child Protection Awareness Programme and Induction training along with Games, Arts & Crafts, STEAM and Programme Planning workshops as a way of providing ongoing support. Then the year ended with a Volunteer Thank You Dinner in both North and South Tipperary to thank the Volunteers for all their hard work, time, energy and dedication to all the Youth Work Ireland Tipperary Youth Clubs throughout the year.

TIPPERARY COMHAIRLE NA NÓG

Busy year in 2019 promoting Equality, creating a Health relationships poster and a wellbeing flyer for young people. We have 40 members county wide and engage in anything relevant to giving youth a voice, which included consultations with Children & young person's services committee, Healthy Tipperary, LGBTQ* and events. Check out www.tippcomhairle.ie to see the work

Highlights were locally having former Comhairle members Declan Burgess and Mairin McGrath elected to Tipperary County Council in May 2019 and have them attend our AGM as local councillors together with former member Ciara Fanning who is President of ISSU.A national highlight was delegation attending Dail na nOg 2019 which was held in Leinster house, celebrating 100 years of Dail Eireann.

MY WORLD - CARROWLCOUGH SUMMER PROGRAMME

Every year we host a summer programme in a local estate called Carrowclough. Attendees include members of the traveling community. The project allows for exploration of many sporting and artistic themes. In 2019, during our summer programme, the young people decided to do a photo project. They called it "My World". They decided to take photos of their favourite places in Tipperary Town or things that stood out to them. They took some amazing photos using just an IPad. After the project we decided to showcase these works of digital art. Donal Ryan, of Tipp Print and Design, printed and mounted the photos (A3 size) onto board. He did this free of charge so a big shout out to him and his staff. We had an exhibition in the house in Carrowclough to show off the photos and everyone who came was blown away. The prints will be mounted in the Tipp building in the very near future.

CASHEL YOUTH PROJECT - CHEF'S EXPERIENCE

The young people from the Cashel Neighbourhood Youth Project were offered a wonderful opportunity during the Halloween break of attending a complete chef's experience in the Rock House Restaurant in Cashel. Joe Aherne facilitated an entire day for the young people and helped them to prepare, cook and eat a full 3 course meal. When we arrived we were greeted with fresh pastries, scones, etc. and the young people were shown how to prepare their own speciality coffees or hot chocolates. They were then given some essential clothing for working in a professional kitchen such as gloves, aprons, hair nets, etc. The young people had full access to the kitchen in the restaurant including all the equipment. Joe then taught everyone to cook a variety of tasty treats such as apple crumble, eclairs, chicken goujons, soup, brown bread, etc. Once the full day was complete, everyone got the opportunity to sit in the restaurant and eat the wide range of wonderful food they had prepared. It was a wonderful experience that the young people still talk about and would love to have the opportunity again in the future.

TEMPLEMORE YOUTH PROJECT

The Big Hello event was a real success on the 6th of May 2019 in the Templemore Youth Project. This was an event open to the community of Templemore and surrounding areas, and based on a national initiative, around National Community Week 2019, organised by the Department of Rural and Community Affairs, Volunteer Ireland, Macra na Feirme and others. Members of the youth project helped organise and set up the place on the day. Two seniors took charge of the cooking on the BBQ while others

helped with the dessert corner, teas, and coffees. A music corner and a gaming corner were available to the young people as well as a seating area in front of the building, which allowed for the event to be visible to the wider community. Non-members and parents also attended on the day, which was an enjoyable opportunity for our youth workers to meet new young people and parents. About 100 people were present in total!

Youth Work Ireland Tipperary

... a world full of possibilities for all young people.

COMMUNITY EMPLOYMENT SCHEME

This year I (Caroline Burke, CE Supervisor) decided to return to education to complete a Level 8 Hons Degree in Business, Social Enterprise, Leadership & Management with Equal Ireland and accredited by Athlone Institute of Technology.

This was a unique BA Honours Degree Programme, with a cross sectoral focus, which provided me with a range of practical skills, knowledge and experience, equally applicable to leadership and management roles in the public, private and 'not for profit' and social enterprises sector of the economy. The wide range of course content greatly enriched my own work as a Community Employment Supervisor.

As the course was part time at weekends, it fitted in around my work and home life. I admit there was a lot of hard work involved in the process and a lot of sleepless nights, however the support I received from my fellow students and my co-workers at Youth Work Ireland Tipperary made it all worthwhile.

STUDENT PLACEMENT TAR

My student placement in Youth Work Ireland Tipperary was a beneficial experience. All staff were $very \,welcoming \,and \,friendly. There \,was \,always \,a \,calm$ atmosphere and a great sense of communication and teamwork in the service. I learned many skills from Karen and Claire in the Garda Diversion Programme by observing their practice and being included in groups ran by them. I enjoyed getting to know the young people and seeing what they can achieve. I had many opportunities on placement, I attended the Garda Youth Project Award for the girls group booklet 'a period full of change', days out such as the Easter Trip with GYDP to Kilkenny, Rape Mid-West Crisis Centre, and soccer tournaments. Staff training days such as Child Awareness, ACE's, Protection, Autism Community Addiction Studies. The Sexual Health Programme 'Squashy Couch' was a great experience to be a part of when delivering it to groups of young people, I found they were all interested in the topic and benefitted from it. I was fortunate to go on the Erasmus+ Youth Exchange to Italy with Karen, Lisa, Ellen and the girl's group. It was an unbelievable experience and will never be forgotten! Overall, I had a positive experience and got to know so many lovely people, I would highly recommend this service to anyone hoping to pursue a career in Youth Work or Social Care. – Eva O'Callaghan.

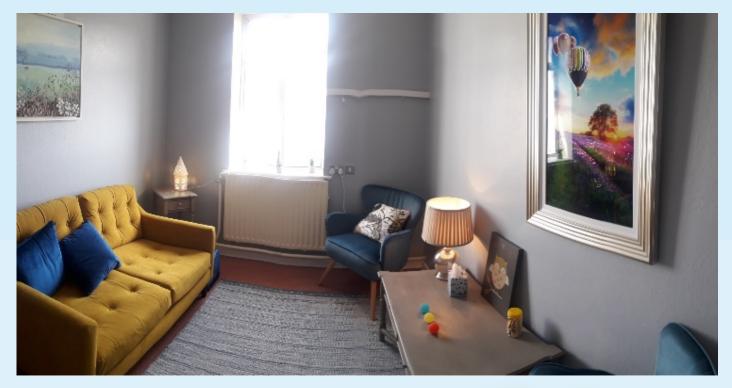

SANDSPACE

In 2019 the project worker undertook training with Bronagh Starrs, BA Dip Psychotherapy MIAHIP, in utilising Sandspace as a mechanism for working with young people, especially those young people who find it difficult to express their emotions or put meaning on their interactions or relationships both at home and in the community.

The collaborative building of an adolescent's lifespace and contact boundary development become visible, tangible and three-dimensional in the sand. Young people can see their lives and

goals laid out in a vision which they can relate to. This allowed for contact rich interactions to develop in a relatively short period of time. With the support of the local Court Services and the HSE National Lottery Grant, a therapeutic space was developed within the HSE Substance Misuse service to allow for this work to be conducted with at risk or vulnerable young people in a safe and welcoming environment. Since its completion in August 2019, 11 adolescents have successfully taken part in Sandspace.

PLANS FOR FUTURE PERIODS

Our plans for the future form part of our Strategic Plan 2015-2020. At all times we provide evidence based practices in response to needs assessments, funder requirements and staying true to what we value; we believe in young people and youthwork! Youth Work Ireland Tipperary's vision of a world full of possibilities for all young people feeds into our 5 goals and our mission to work through a rights-based, youth-led approach to foster learning, innovation, hope and high expectations in young people, their families and their community.

Please see our Strategic Plan for a full account of our plans.

BUSINESS REVIEW & FINANCIAL RESULTS

Youth Work Ireland Tipperary, with the aid of sound financial management and the support of both its staff and volunteers generated a satisfactory financial outcome. At the end of the financial year the company received of €1,752,419 (2018 - €1,522,902) of grants from government and other co-funders, €3,864 (2018 - €2,295) from rents & charges, €3,180 (2018 - €3,915) from training incomes and €170 (2018 - €203) from deposit interest.

EXPENDITURE

Total expenditure amounted to €1,785,016 (2018 - €1,602,435). This includes depreciation of €47,549 on fixed assets. Expenditure limits are set and reviewed periodically at which CEO and project staff with budgetary responsibility may authorize spending in line with budgets. There is a higher limit to which the Chief Executive may authorize spending and a further limit, which must be authorized by the Board.

FINANCIAL RESULTS

At the end of the financial year the company has assets of €1,052,610 (2018 - €1,174,239) and liabilities of €333,396 (2018 - €422,438). The net assets of the company have decreased by (€32,587).

RESERVES POLICY

The charity needs reserves to:

- Ensure the charity can continue to provide a stable service to those who need them.
- · Meet contractual obligations as they fall due;
- Meet unexpected costs;
- Provide working capital when funding is paid in arrears;
- Meet the costs of winding up in the event that was necessary;
- Be adequate to cover 12 months of current expenditure.

Based on this, the directors are satisfied that it holds sufficient reserves to allow the charity to trade successfully.

ACHIEVEMENTS & PERFORMANCE

The main achievements of the company during the year are outlined in full detail on the charity's annual report.

STRUCTURE, GOVERNANCE & MANAGEMENT

The organisation is a 'Not for Profit' company limited by guarantee. The company does not have a share capital and consequently the liability of members is limited, subject to an undertaking by each member to contribute to the net assets or liabilities of the company on winding up such amounts as may be required not exceeding one Euro twenty-seven cent (€1.27).

The charity was established under a Constitution which established the objects and powers of the charitable company and is governed under its Constitution and managed by a Board of Directors.

FUTURE DEVELOPMENTS

The directors are not expecting to make any significant changes in the nature of the business in the near future.

PRINCIPAL RISKS & UNCERTAINTIES

The Directors have identified that the key risks and uncertainties the company faces relate to the risk of a decrease in the level of donations and government funding and the potential increase in compliance requirements in accordance with company, health and safety, taxation and other legislation.

The charity mitigates these risks as follows:

The charity continually monitors the level of activity, prepares and monitors its budgets targets and projections. The company has a policy of maintaining significant cash reserves and it has also developed a strategic plan which will allow for the diversification of funding and activities; and The company closely monitors emerging changes to regulations and legislation on an ongoing basis; Operational/Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects and the requirements for budgets covering all activities.

Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the centre by ensuring all accreditation is up to date.

Reputational risk-in common with many charities, the company's principal risk is reputational damage. Reputation damage could be caused by an event either within or outside the company's control. In order to mitigate this risk the charity continues to adopt best practices.

PAYMENT OF CREDITORS

The directors acknowledge their responsibility for ensuring compliance with the provisions of the EC (Late Payment in Commercial Transactions) Regulations 2012. It is the company's policy to agree payment terms with all suppliers and to adhere to those payment terms.

ACCOUNTING RECORDS

The directors acknowledge their responsibilities under Section 281 to 285 of the Companies Act 2014 to keep proper books and records for the company.

A number of measures have been taken by the directors to ensure compliance regarding proper accounting records with the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel and appropriate expertise and the provision of adequate resources to the financial function. The accounting records of the company are kept at the registered office and principal place of business at Croke Street, Thurles, Co. Tipperary.

STATEMENT ON RELEVANT AUDIT INFORMATION

In accordance with Section 330 of the Companies Act 2014, so far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the charity's auditor, each director have taken all the steps he/she is obliged to take as a director in order to make himself/herself aware of any relevant audit information and to establish that the auditor is aware of the information.

AUDITORS

Director

In accordance with Section 383 (2) of the Companies Act 2014, the auditors, Donal Ryan & Associates, Chartered Certified Accountants & Statutory Auditor, will continue in office.
