## Abbey recruits

ABBEY Machinery is one of Ireland's largest, oldest and most respected manufacturers of agricultural equipment.

Our 100,000 square foot purpose-built manufacturing facility, set on a 30-acre site based in Toomevara, employs the latest in engineering and manufacturing technology.

Abbey Machinery employ approximately 100 people across the manufacturing, engineering, finance, sales, technology and management sectors. The long established local company knows that one of its greatest assets is their staff, and the firm is currently looking for top quality team members to join the company.

At Abbey Machinery we have a strong focus on the growth and development of our employees through apprenticeships, leadership and management development training programmes and specialised training courses. The Abbey team regularly give back to their local community, contributing to charitable causes nominated by staff members.

Abbey Machinery are currently hiring for fabricators, welders, CNC Machine operators and general operators, along with open roles in all other departments.

Please send your CV and cover letter to [hr@abbeymachinery.com](mailto:hr@abbeymachinery.com) or visit [www.abbeymachinery.com/careers](http://www.abbeymachinery.com/careers) for more information.
